

Tree

```
graph BT; A["parselib.transforms.node.  
Always"] --> B[Tree];
```

A diagram illustrating a transformation. At the bottom is a gray rectangular box with a black border containing the text "parselib.transforms.node." on the first line and "Always" on the second line. A blue arrow points vertically upwards from the top center of this box to a white rectangular box with a gray border at the top. The white box contains the text "Tree".

parselib.transforms.node.
Always
