

src/model/PortDecl.h

```
graph TD; A[src/model/PortDecl.h] --> B[json.hpp]; A --> C[string];
```

The diagram illustrates the dependencies of the file `src/model/PortDecl.h`. It is represented as a box at the top with two arrows pointing downwards to two other boxes: `json.hpp` on the left and `string` on the right.

json.hpp

string
